Malton Plastics (UK) Ltd. COVID-19 Company Statement

Due to recent developments, Malton Plastics has taken the necessary steps to ensure the health and well-being of our staff and the wider community.

- Doors are closed to non-essential visitors until further notice. If you are wanting to visit, please contact the office in advance to schedule an appointment.
- We are running alternate shifts with time allowance between shift finish and shift start to minimise any contact between staff.
- Hand sanitizer, paper towels and gloves have been provided to staff and placed around the factory.
- We are following government guidelines in terms of advising staff on self-isolation should any symptoms arise.

We will continue to monitor the situation daily and our stance will change in accordance with that of the government and to protect staff, friends, family and others around us.

From everyone at Malton Plastics, we wish everyone good health and to look after one-another during this tough time.
